

Platform Displays

Grid-top Platform Displays

Suggested Accessories:

NEW! Sign Kit

We offer the most versatile garden center platforms in the world. Choose from a wide variety of sizes and height considerations to get products off the floor without using hazardous and hideous wooden pallets. This is the ideal solution for narrow bulk displays.

BM960336

Platform Displays

Solid-top Platform Displays

Solid-top Platforms add capacity and versatility to our standard platform displays. These platforms protect your merchandise and provide a consistent smooth surface that's sometimes desirable for heavy boxed merchandise.
